

# THE INSIDER

## FROM OUR HOME TO YOURS

SPRING/SUMMER 2023

## YOUR SUPPORT MEANS EVERYTHING

Once again, I want to thank all of you who voted for us either for our **seventh consecutive BOB (Best of Business)** award or for one of our newest NH Union Leader Readers' Choice awards. It continues to be a great honor for us, and we appreciate your support.

We know that you rely on us to keep you warm in the winter and cool in the summer, and we don't take that for granted. We're excited that you value our relationship as much as we do.

As we dust winter off and head into spring, we wanted to remind you that we are much more than a fuel company. If you haven't yet taken advantage of our **electrical services staff**, get that to-do list together and give us a call. Whether it's installing a light fixture or replacing an entire electrical panel, we have the staff to help you out.

And, if you lost power this winter, now is the time to call us for a **free quote on a whole house generator**. Our systems automatically kick on when the power quits – no need to do anything. Stop hauling that portable system out of the garage and hoping it will start.

Check out all our **spring specials** inside – they run through the end of May.

Sincerely,

Bill Ermer  
President

# EQUIPMENT SAVINGS
