

THE INSIDER

FROM OUR HOME TO YOURS

HEATING SEASON IS HERE, AND WE'RE READY!

As we head into Fall, with Winter right behind, we want to thank you for trusting us to heat your homes and businesses and to keep your equipment in tip top shape. Whether this is your first season with us, or just one of many, we appreciate your business.

Our company mission is to provide you with service that's so friendly, simple and safe, you can focus on what matters in your life, and leave your energy needs to us. Our team works extraordinarily hard to ensure that every interaction with us lives up to that friendly, simple, safe motto.

In addition to our regularly scheduled training throughout the year, each September we close the office for half a day of dedicated safety training for our field and office employees. It begins with breakfast and ends with lunch, and in between is chock full of demonstrations and presentations designed to ensure that our team is well prepared to keep themselves and our customers safe. (See below for some of our previous safety day demonstrations.)

We're ready as we head into another heating season – we have fuel, staff, and trucks – with safety top of mind!

PALMER PERKS

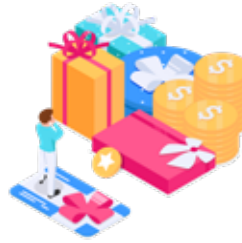

REFER A FRIEND

\$150 in Fuel Credits for you and your friend!

We have, hands down, the best REFER A FRIEND program! Whenever you Refer a Friend, you AND your friend will BOTH receive a credit on your account up to \$150!!! You can refer as many friends as you want, for as many credits as you want! Visit PalmerGas.com/refer-a-friend for more details. Some restrictions apply.

LOYALTY REWARDS PROGRAM*

Special offers are great, but we believe loyalty is even better! So we have Palmer Points, our Customer Loyalty Rewards Program, available to all residential customers, which is one way for us to thank you for your continued business.

You earn points for every dollar you spend and you will receive 250 points just for signing up! Sign up at PalmerGas.com/palmer-points.

Accumulate Palmer Points and redeem them for:

- Palmer Gas & Oil gift certificates
- Discounts on service plans
- Gift certificates to local businesses
- Charitable donation

*Purchases made prior to your enrollment in the Palmer Points Loyalty Rewards Program are not eligible for points accrual.

WE'RE ON THE MOVE...

Our North Hampton office has closed in preparation for a move to our new Somersworth location, but we're still available to provide you with the exceptional service you've come to expect from us.

Call our friendly customer service team at 603-898-7986, email us at info@PalmerGas.com, or access your online portal account for assistance regarding payments, delivery requests, and service appointments.

We'll keep you updated on details of our move as they become available.

FUEL ASSISTANCE PROGRAM

Fuel Assistance Program

The Fuel Assistance Program is available through the federal Low Income Home Energy Assistance Program (LIHEAP) which is funded through the US Department of Health and Human Services.

New Hampshire

Fuel Assistance benefits are available to eligible households and amount awarded depends on household income and energy costs.

In addition, there is an electric assistance program which provides income eligible customers with a discount on their monthly electric bills as well as a SAFETANK Financial Assistance program that aids income eligible New Hampshire homeowners on their repair or replacement of aging home heating oil tank systems.

NATIONAL PROPANE DAY

As one of the largest propane suppliers in our service area, we were pleased to join others across the country to celebrate the 2nd annual National Propane Day on October 7, 2023. We are proud to offer propane to our customers. Millions of Americans use propane for heat, hot water, cooking, and power generation at home and at work it is also a popular choice for school buses and fleet vehicles, emergency first-responder equipment and facilities, hospitals, restaurants, agriculture and port operations, and countless other applications. Propane allows users to reduce carbon emissions right now and provide energy equity in communities across the nation.
