Ensure Uninterrupted Power with a **GENERATOR TUNE-UP**

Summer is generator maintenance season. Call today to schedule an inspection and load test—be prepared for any power outage all year long.

Tank owner responsibilities

In most cases, Palmer Gas owns the propane tank on your property. You will be notified annually if you own your tank and the responsibilities that come with tank ownership. See below for some of those responsibilities. If you are unsure if you own your tank, please call our office and we can assist you.

- Safety inspections & recertification - Ensure the tank is regularly checked for leaks, corrosion, and damage.
- Maintenance & repairs - Owner must cover all costs for maintenance. If the tank or system fails to meet safety standards, propane providers have the legal right to deny service.
- Placement & clearances - Must comply with local safety codes.

2026-2027 Price Protection Plans

Winter heating bills can be overwhelming, let us keep you warm without the worry! Our Price Protection Programs for residential customers offer many benefits that fit your lifestyle and help make budgeting easier. Our plans work best when you are on automatic delivery, and even better when you are set up for automatic billing, which gives you an automatic prompt pay discount!

- All plans require a 400-gallon minimum.
- Price Plans are in effect from 10/01/26 through 04/30/27.
- Deliveries made before and after that date are subject to market rate.

26-27 Season Price Protection Plans* At a Glance	Equal Monthly Payments	Prepay Gallons	Price Cap	Downside Protection	Discount Eligible	Automatic Delivery
PRICE ASSURANCE Cap your fuel price & never pay more, but you could pay less.			●	●	●	●

ALL DELIVERY SLIPS
will be emailed to you.

To continue to receive paper delivery
slips, please call 603-898-7986

Bill Paying Tips | Ensure your payment is posted promptly

Review your billing software or on-line bill pay and update any information that is not correct.

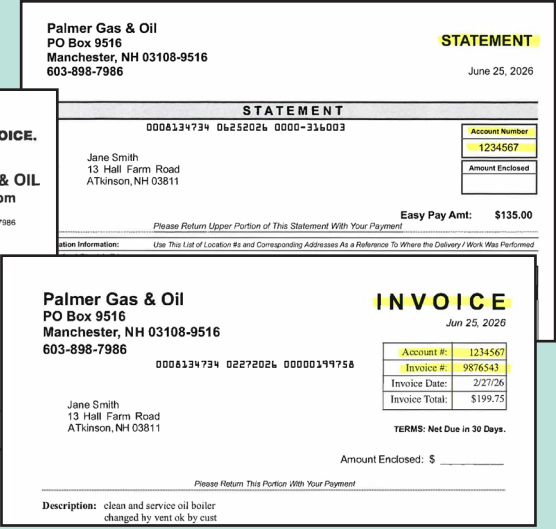

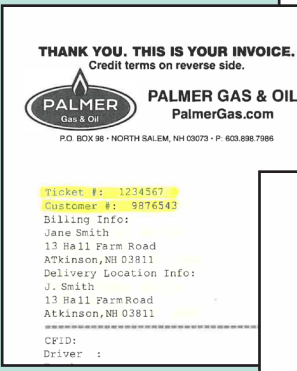

Send Payments to:

Palmer Gas and Oil
PO Box 9516
Manchester, NH 03108

Make sure the correct Palmer Gas & Oil
account number is on the check.*

*The account number is located on the second line of the delivery ticket and in the upper right section of your service invoice or statement.

Virtual Credit Card Payments

Some banks and bill payment services use virtual credit cards to pay your bill. A virtual credit card uses a unique card number for added security and fraud protection.

If your payment is made this way, Palmer processes it as a standard credit card payment, and you may receive a credit card receipt.

Take the Sting out of Unpredictable Fuel Costs

Stay ahead with an **EASY PAY BUDGET PLAN**

- » Predictable Monthly Payments
- » Avoid seasonal billing spikes
- » Prompt pay discount*
- » No contract, no fees
